Subject: October 24th meeting, questions form CLA
Attachments: Questions for EPA EFED from CLA ESPSG for Discussion October 24th.docx

Hi Marietta,

Thank you for agreeing to meet with the CLA Environmental Science and Policy Steering Group (ESPSG) on October 24 (10:00 am, we have through lunch available and you are welcome to join us if possible). As you recall from previous conversations, the ESPSG has taken on the responsibility of providing oversight and coordination of the CLA technical & regulatory policy efforts in the environmental / ecological space. Some ESPSG members will be attending in person, while others will be joining the meeting via teleconference.

A proposed agenda for our meeting on the 24th is provided below. As requested, the attached document includes some questions that we would like to discuss with you and any EFED staff that will be accompanying you to the meeting. Please let us know if there are any clarifications needed on the questions for discussion or if there are any changes to the meeting agenda that you would like to propose.

Proposed Agenda

- Welcome and Introductions
- Overview of EFED top priorities for 2019
- Discussion of Questions
- Overview & Discussion of ESPSG Sponsored Projects / Project Teams
- Meeting Summary & Wrap-up

Thank you again for agreeing to meet with the ESPSG. Going forward, it is our hope that meetings like this can be arranged on a regular basis.

Sincerely,

Mike
